1. INTRODUCTION

Welcome to the TAURUS. TAURUS is the energized addition to the Binance Smart Chain! Born from the idea that people should get rewarded for holding, TAURUS decided to give its users a 4% BUSD redistribution reward that goes automatically to their wallet just for holding.

There's no Crypto that knows how to balance pleasure and practicality quite like Taurus. The TAURUS team are as hardworking as they come — however, "Taureans" have a strong sense of commitment to the things they value.

2. ABSTRACT

We have lots of plans for TAURUS, lots of investors, and many connections that are going to allow us to market our cryptocurrency and swap to millions of people. Launch - public sale to commence on the 19th February 2022. The contract address of the token will be sent via our telegram group chat.

We want to bridge the gap between the cryptocurrency market and everyday consumers. We'll transition TAURUS into the mainstream by removing barriers to access and by building trust in our vision for the future of money.

TAURUS(TAU) will provide NFT and other various earning opportunities for the TAU holders, and many use cases of our coin will be made in our own Decentralized-Swap. People prefer to less profitable service for simplicity rather than having too many platforms to achieve their goal of growing funds in the world of Cryptocurrency, so our platform will be extremely simple to use, with the necessary options & features for users and stakeholders with huge profit opportunities.

Also, TAURUS has less and limited supply and Cryptocurrencies follow a demand and supply principle that determines their growth. Hence investing in TAURUS for the long-term will be more beneficial.

3. ABOUT US

Now we do believe in organic marketing, but for a project and cryptocurrency this big we are obviously going to need lots of marketing and we already have all of that in place, you can see all of our plans and what we plan on doing with marketing to help boost the growth of TAURUS on our roadmap.

TAURUS (TAU) is built by a team of forward-thinking individuals who want to create a global community of TAURUS members. We are not just a meme coin, but a functioning project with big plans. Projects to be developed.

4. WHY TAURUS

Taureans are dependable partners, trustworthy and have a lot of devotion. Taureans know the value of a dollar. Taureans aren't afraid to roll up their sleeves and work hard to earn big rewards. They're ambitious, focused, and resilient.

Cosmic oxen are all about return on investment (the bull is also the symbol of Wall Street), and Taureans know how to play the long game professionally. Security is paramount for Taureans and any threat to their stability will be sure to Have a celestial bull seeing red.

As a sign, Taurus is fixed, a quality that reflects Taurus's steadfast, loyal nature. Fixed signs are excellent at maintaining systems and Taureans prioritize consistency and reliability in all areas of their lives. It must be noted that Taureans are dependable partners, trustworthy and have a lot of devotion.

9. CONCLUSION

Many changes occur throughout time, and one example is a cryptocurrency, which is a digital currency that is growing day by day. In the crypto realm, new tokens and currencies emerge daily.

Because of its broad network, paper money may be phased out in the future. And in this project, we're talking about the TAURUS token, which appeals to a different type of audience than highly technical enterprises.

Our primary focus is a community, and we organize multiple community contests each week. It's a decentralized network, and the TAURUS token can appeal to a wide range of users from around the globe.
